@stanimirazmanov@gmail.com

My name is Stanimir Azmanov, 30 years old, and currently living in Plovdiv. With all my years of experience in the field of digital design, I specialize as a UI/UX graphic designer and 3D artist. Throughout my career, I have encountered a variety of design challenges that have shaped me into the versatile visual artist I am today.

I identify as an active and creative individual dedicated to personal growth on a daily basis. I am always open to new friendships and collaborations, as they are essential components of my journey

## EXPERIENCE

- 2014 - 2016
- 2016 - 2022
- 2022 - Present

### Freelance Graphic Designer

99design.com, Upwork.com

Participating in design contests and 1-to-1 projects with tasks mainly focused on branding (logos, t-shirts, websites). During my time working on Upwork, I held the status of a 'top-rated' freelancer.

### Full-Time UI/UX Designer

Edatachase Ltd

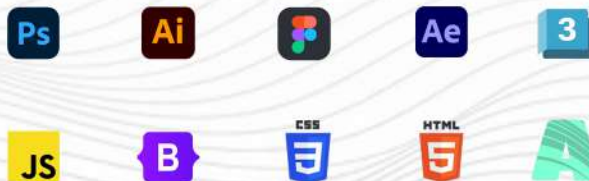

Taking care of sketching, prototyping, and actual realization for all design needs the company is facing. Working closely with developers to ensure maximum efficiency and delivering well-functioning, stunning products to our clients. Client's fields of activity include healthcare, logistics, e-commerce, and more.

### 3D Artist

Visrez

Visrez is a company that specializes in 3D visualizations and offers a leading web-based tool for event planning. As a 3D artist, I am responsible for modeling and rendering high-quality 3D architectural visuals, as well as preparing models for web integration.
